The Saint Mary Community Organization for Revitalization (SCOR) conducted the FREE Community Survey that city hall dropped after working on it for nine months with The University of Missouri Extension Office.

Alderman Bob Bequette stated that he does not want to hear from the people and added if they have a question they can come to a city hall meeting. Alderman Jeff Stokes said it would be all negative anyway. Alderman Dennis Bovey agreed. Three Aldermen who are elected to represent voters in their ward **DO NOT** want to hear opinions from the people in Saint Mary!
